RE: SHOP LOCAL - Encouraging Lloydminster Construction Members to SHOP LOCAL

As a non-profit association in the community, the Lloydminster Construction Association (LCA) understands how important shopping and supporting local is to our economy. To help encourage this message, the Lloydminster Construction Association is offering a Partner Affinity Card to our membership for 2021, reaching over 130 companies to encourage our owners, employees, and families to SHOP LOCAL!

Please see the back of the Affinity card for the participating company's products/services available to you as a 2021 LCA member. The card will be valid in Lloydminster locations until December 2022. You may request more cards for your employees by contacting the LCA office.

If you have any questions or are interested in having your company's products/services on the Partner Affinity Card call us at 780-875-8875 or via email lloydca3@telus.net.
