HONOUR THE WORK

Building the Future, One Classroom at a Time!

The Lloydminster Construction Association, in partnership with local school divisions, is proud to introduce the

HONOUR THE WORK

Together, we are bringing STEAM Kits and Book Bundles into elementary schools to inspire students about skilled trades and construction careers.

Our Partners in Education We are thrilled to collaborate with:

Lloydminster Public School Division
Lloydminster Catholic School Division
Buffalo Trails Public Schools

These school divisions will receive industry-sponsored STEAM Kits and Book Bundles, providing students with hands-on learning experiences that align with curriculum standards while showcasing the exciting world of skilled trades.

How Industry Can Help

Sponsor a STEAM Kit (\$850) – Equip classrooms with hands-on projects and lesson plans that introduce students to science, technology, engineering, arts, mathematics, and skilled trades.
Sponsor a Book Bundle (\$650) – Provide engaging children's books that highlight skilled trades careers and inspire young minds.

Why It Matters

- Encourages early interest in skilled trades and construction careers
- Provides teachers with engaging, ready-to-use educational tools
- Strengthens ties between industry and education
- Builds a skilled workforce for the future

💡 **Join us in making an impact! Industry sponsors will be recognized in our promotional materials and given the opportunity to be involved in classroom initiatives.**
